Catering & Events

You start filming
We start cooking!

Our goal is to cater to the television and film industry, using the best quality food.

Hearty and nutritious, within your budget. We will understand the different needs of your crew and will cater to any specific allergies. Our food will be delivered in a timely manner, as we understand how valuable time is for you.

We create menus (5 to 12 items, buffet style – 7 items is recommended) which rotate frequently.

YOUR BENEFITS

- You will have a custom tailored program to meet your specific business needs .
- You will have a fully certified chef to ensure any dietary restrictions are met.
- You will have a dedicated team to ensure the highest of quality and customer service excellence.
